Fun Facts: I scuba dive, I've hiked Machu Pichu, driven along most of the Californian Coast with my daughter (listening to every Taylor Swift song ever made along the way—forced upon me by my daughter, author of these fun facts), swam with sharks (in all senses of the words), ran several half and full marathons, white water kayaked, rappelled down multi story buildings, I take lots of pictures with my newest affection, my Nikon Z7, and have a mild but constant addiction to pomegranate. My biggest passions are my daughter, and, my dog, Charlie, an Australian Labradoodle.
